Re: Symbiont.io, LLC, Debtor; Case No. Case No. 22-11620-pb

Your Honor:

I am the chapter 7 trustee of the estate of Symbiont.io, LLC (the “Debtor”), the above-referenced debtor. This letter is being submitted in response to Chambers’ request for a status report on the Debtor’s case.

Though the docket activity does not reflect it, my efforts in this case are ongoing. My duly-retained professionals continue to conduct a forensic review of the Debtor’s financial affairs to determine if there are any estate claims to be pursued for the benefit of the bankruptcy estate. We are active in our efforts in this case.

As a result, this case cannot be closed at this time.

Respectfully,

/s/ Yann Geron
